VISION VAULT SOLUTIONS · CLIENT GUIDE

The client portal

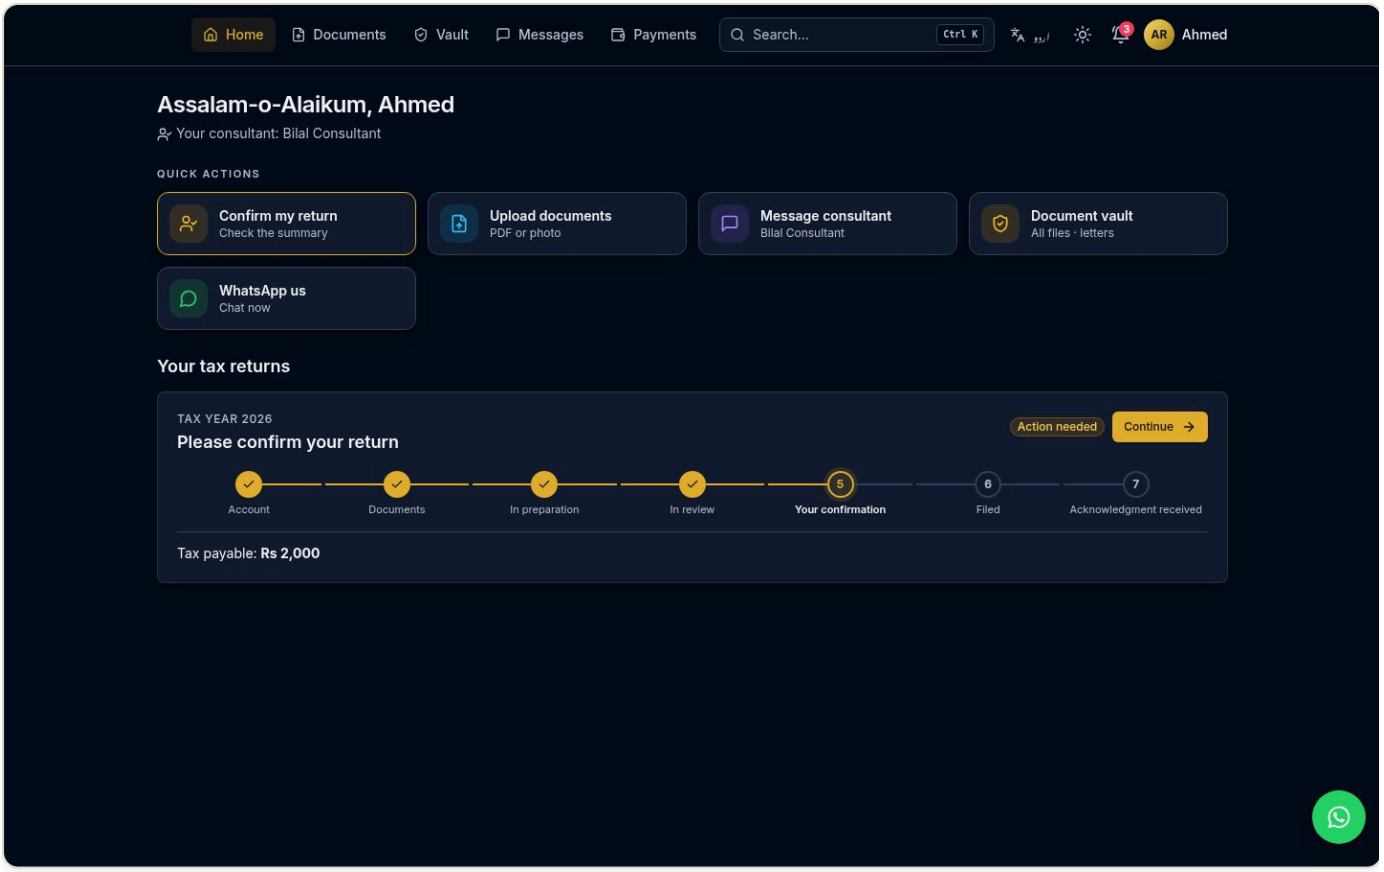

What clients see: their return as a chain of steps, the documents to upload, messages, payments and their vault.

1 · Account	2 · Questions	3 · Upload	4 · Confirm	5 · Filed
Sign up / invite	Yes / no	PDF or photo	Check figures	Acknowledgment

Who: The **client**

1 Home

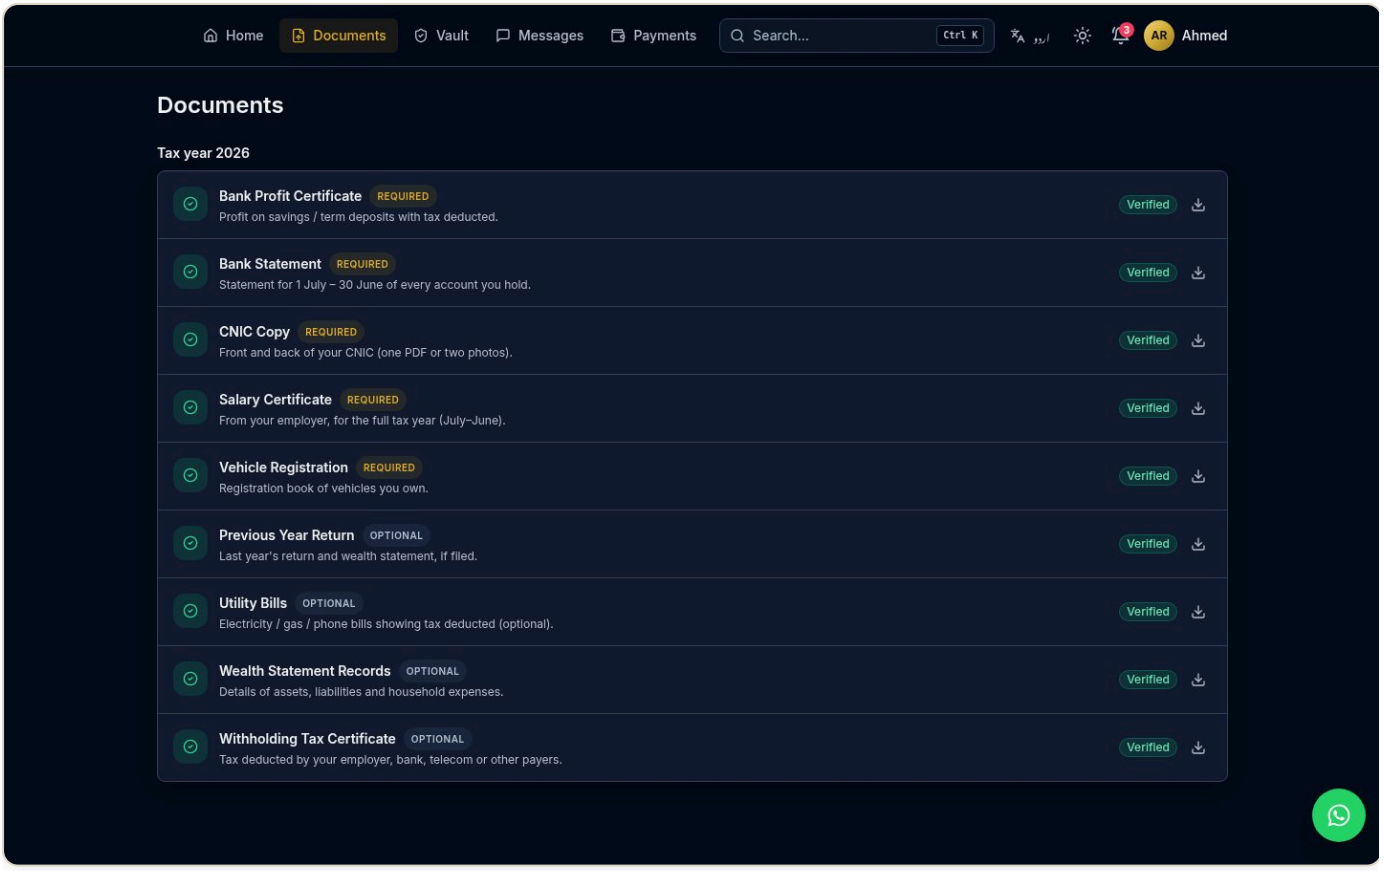

1. The home page shows the return's steps and what is needed from the client now.
2. Messages from the consultant appear here and on WhatsApp.

Client home.

2 Documents

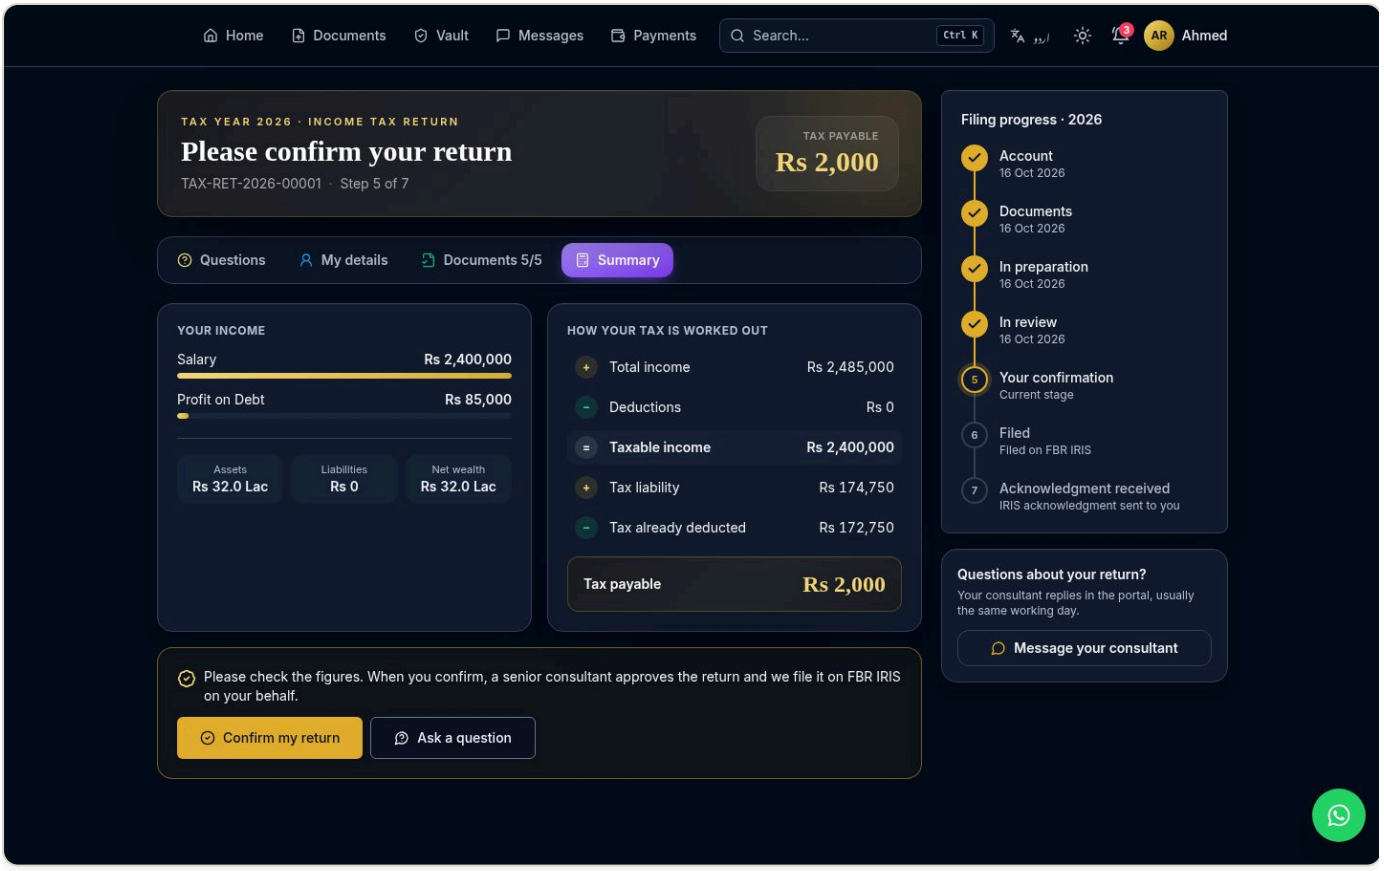

1. Each document on the list can be uploaded as a PDF or a clear photo.
2. *Upload again* shows the reason a document was not accepted.

Documents to upload.

3 Confirm the return

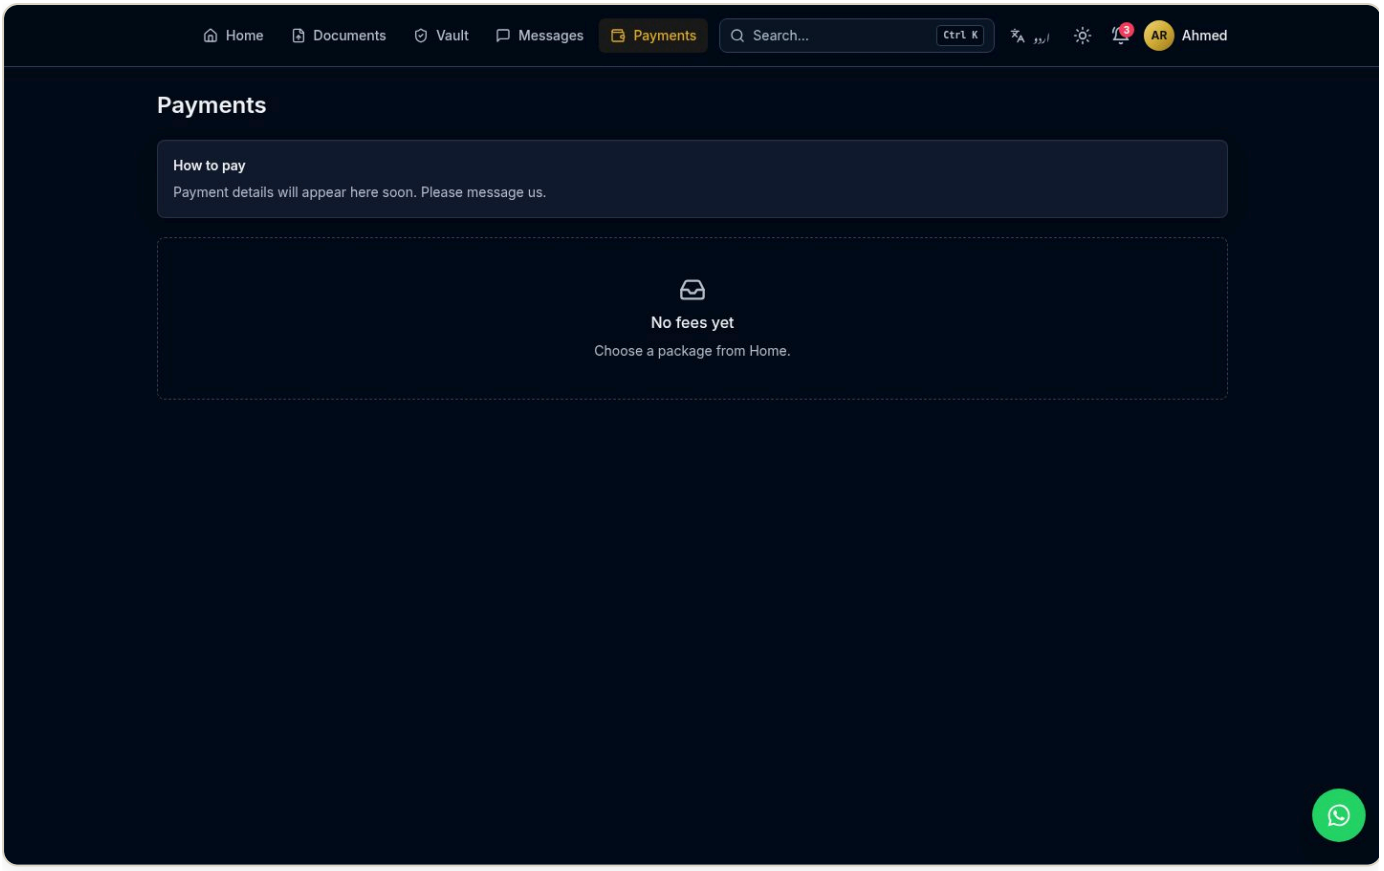

1. When the return is ready the client checks income, tax and refund or payable, then **Confirms** or asks a question.

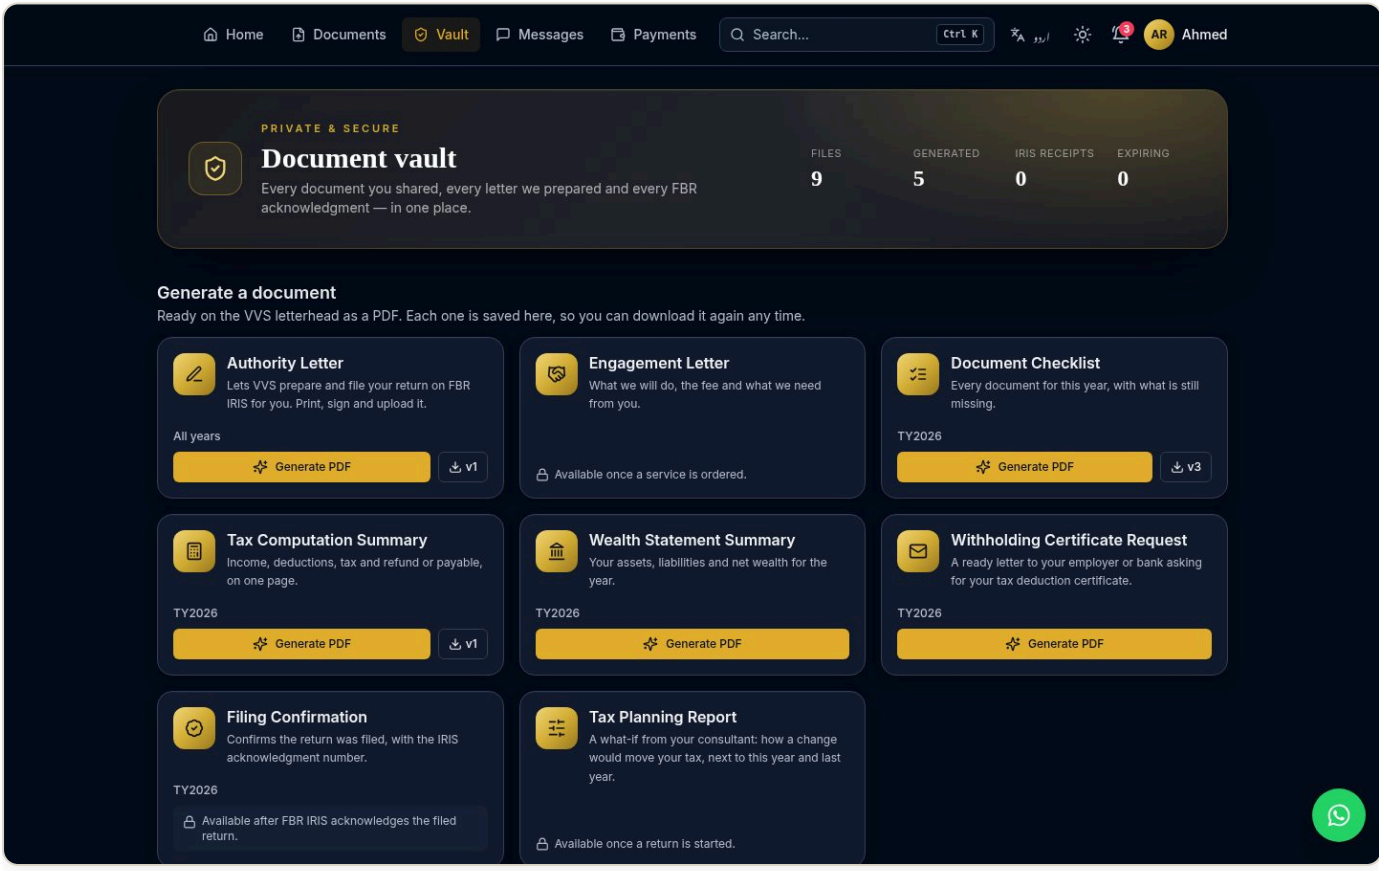

The return waiting for the client's confirmation.

4 Payments and vault

1. **Payments**: the fee and the firm's bank details; upload the transfer proof.
2. **Vault**: documents, letters, IRIS acknowledgments and invoices.

Payments.

The client's vault.

Screens in this guide are from the VVS tax portal with demo data (November 2026). Tax figures shown are estimates from demo slab rates.
