VISION VAULT SOLUTIONS · FILING OFFICER GUIDE

File on IRIS and record the acknowledgment

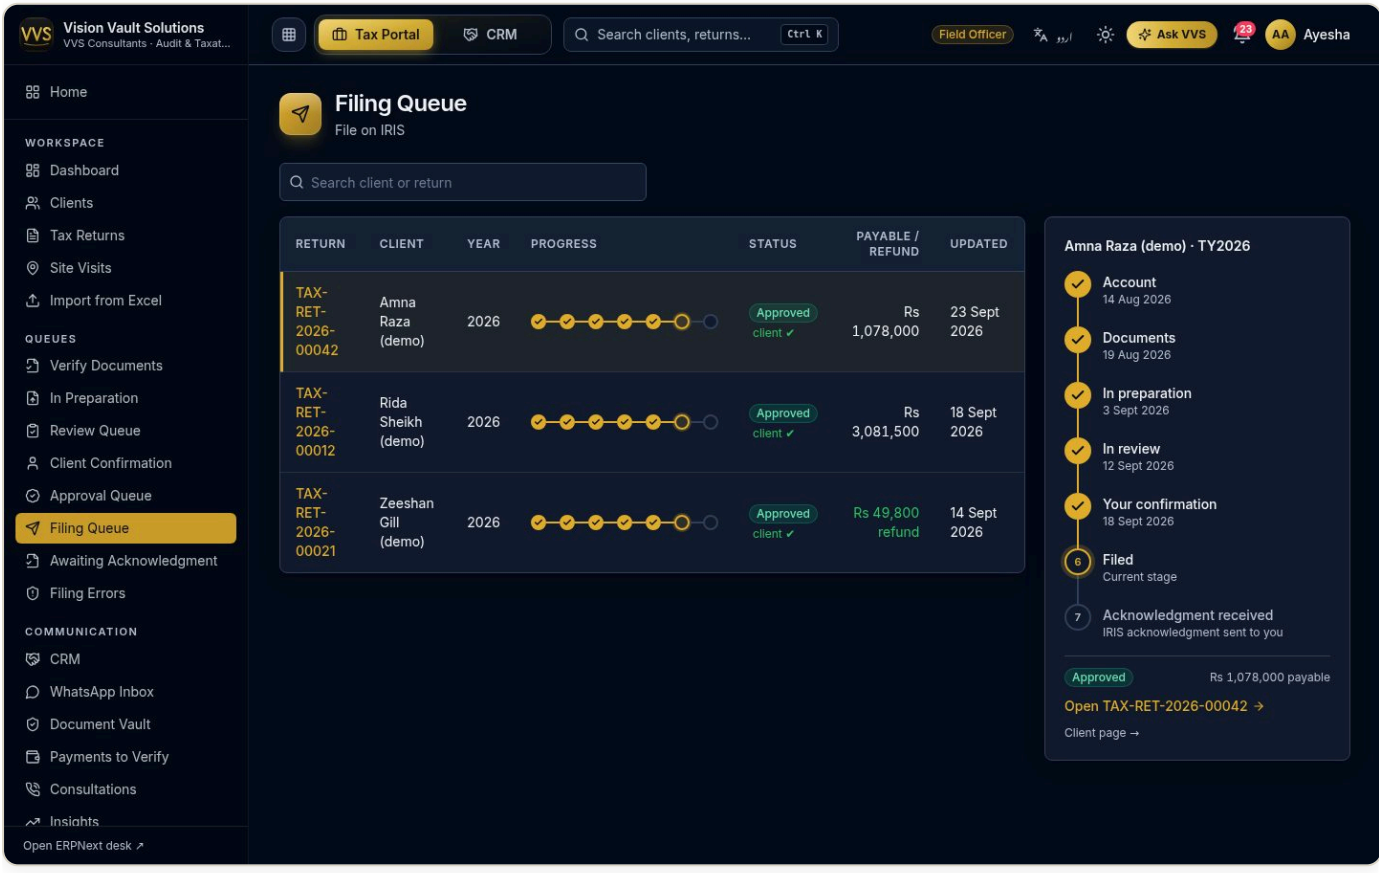

File approved returns on FBR IRIS, then record the acknowledgment number and receipt so the client sees it is filed.

1 · Queue	2 · IRIS	3 · Submitted	4 · Acknowledged	5 · Errors
Approved returns	File the figures	Mark it	Number + receipt	Report, retry

Who: **Filing Officer**

1 File and mark submitted

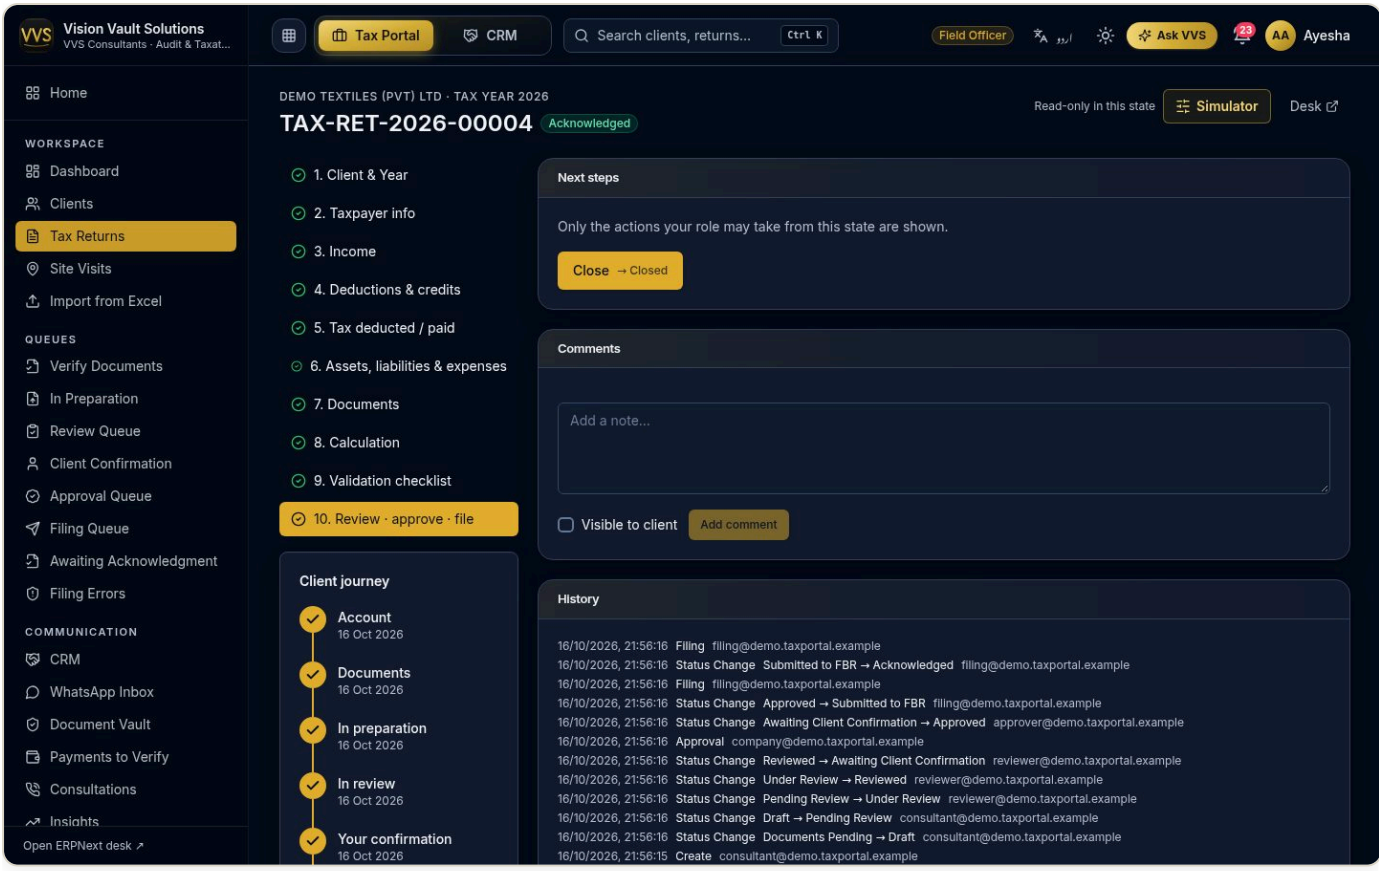

1. **Filing Queue** lists approved returns. File on IRIS with the approved figures.
2. **Mark submitted on IRIS**: the portal checks the figures did not change since approval.

Filing queue.

2 Acknowledgment

1. **Awaiting Acknowledgment** → the return → enter the **IRIS acknowledgment number**, attach the **FBR receipt** → **Record acknowledgment**.
2. If IRIS rejects it: **Report filing error** with the text, then **Retry filing**.

An acknowledged return.

Screens in this guide are from the VVS tax portal with demo data (November 2026). Tax figures shown are estimates from demo slab rates.
