VISION VAULT SOLUTIONS · REVIEWER & APPROVER GUIDE

Review, confirmation and approval

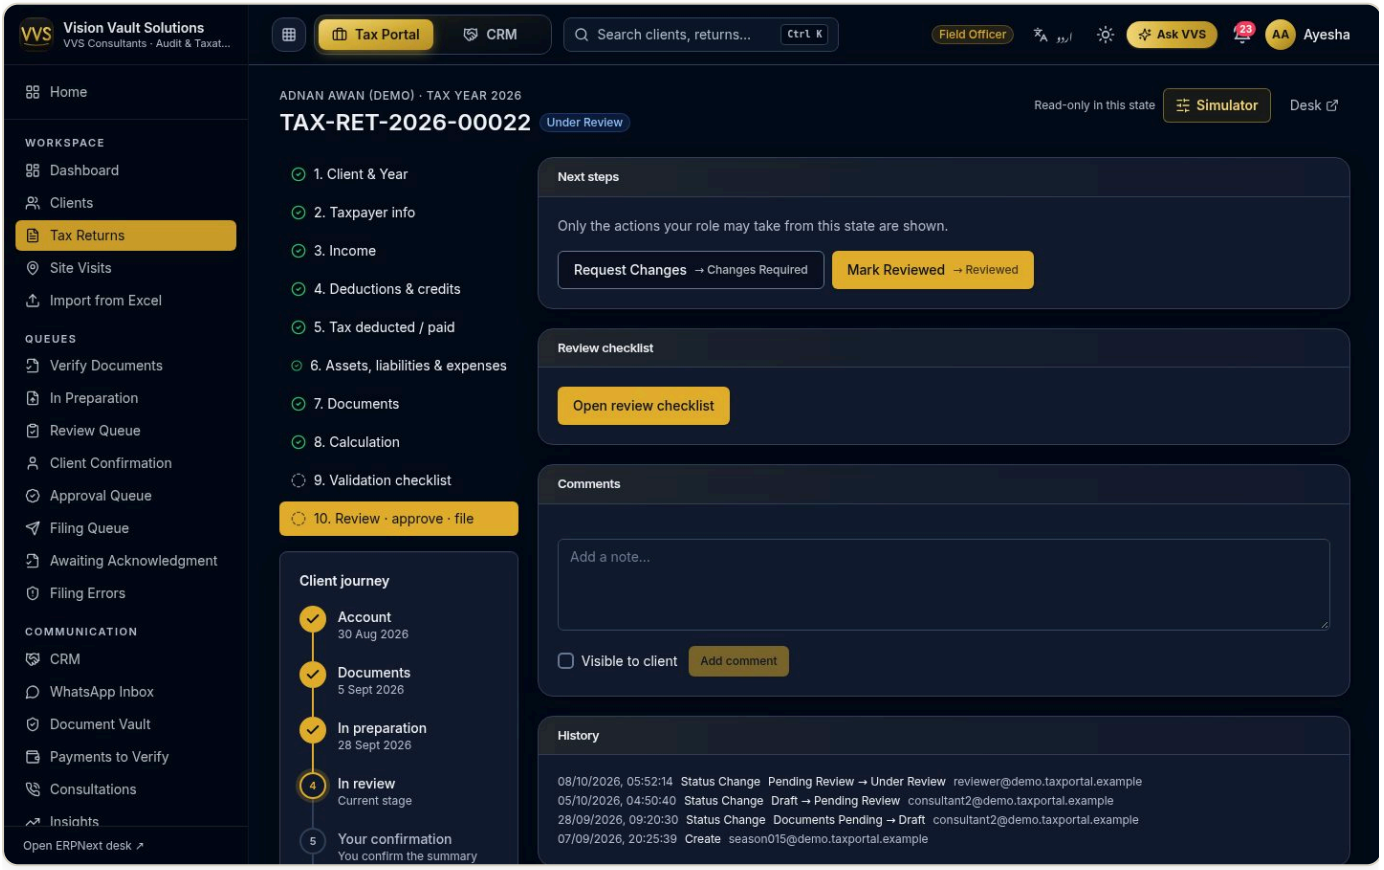

Two people check every return before it is filed: the reviewer goes through the checklist, the client confirms, the approver approves.

1 · Review	2 · Changes	3 · Send	4 · Confirm	5 · Approve
Checklist	Back with a comment	To the client	Portal or on behalf	Not the preparer

Who: **Tax Reviewer** · **Tax Approver** · the **client**

1 Review

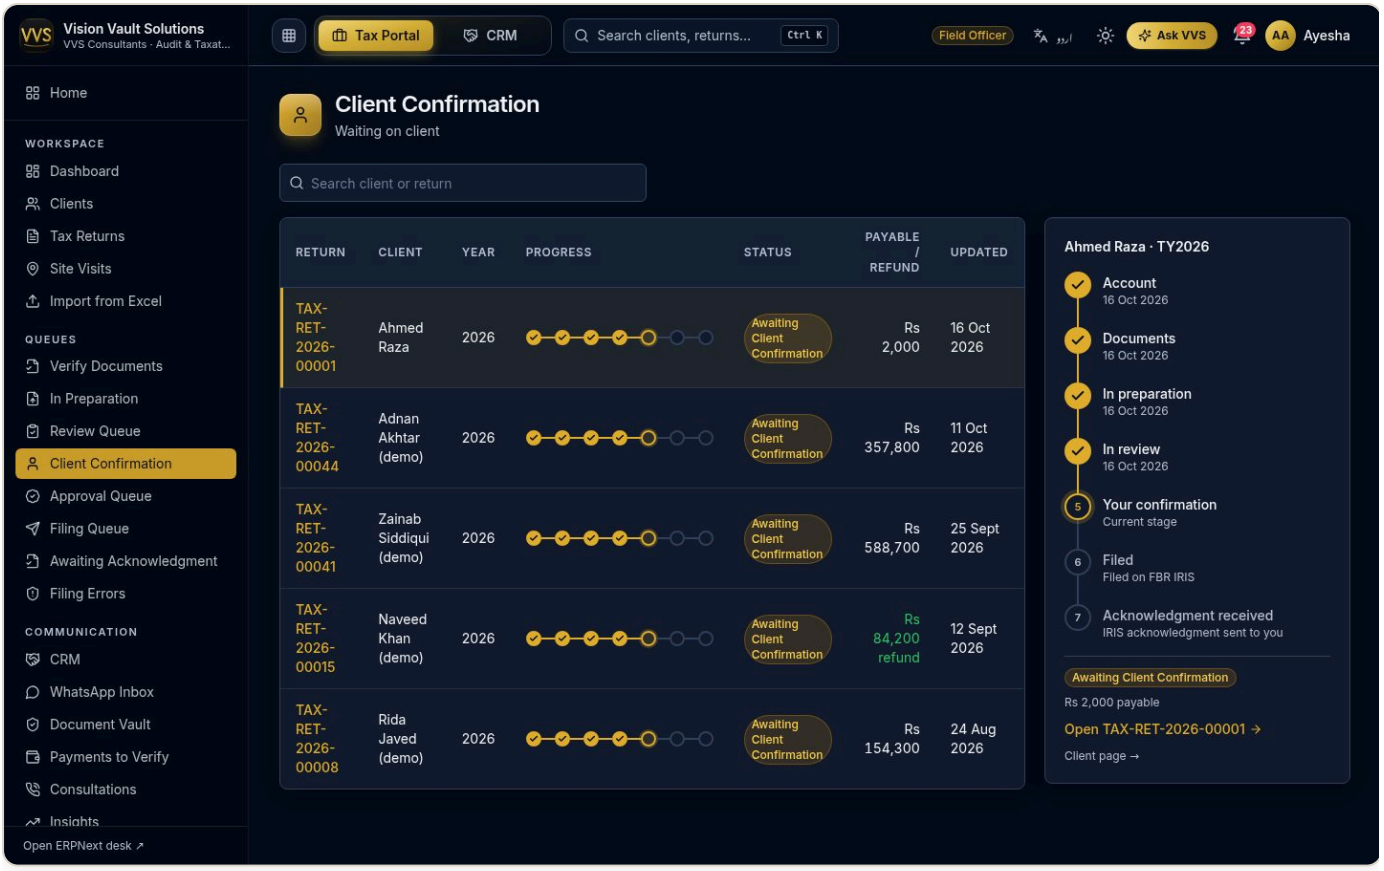

1. **Review Queue** → **Start review** → the checklist: Pass, Fail or N/A for each item.
2. **Request changes** with a comment, or **Mark reviewed**, then **Send to client**.

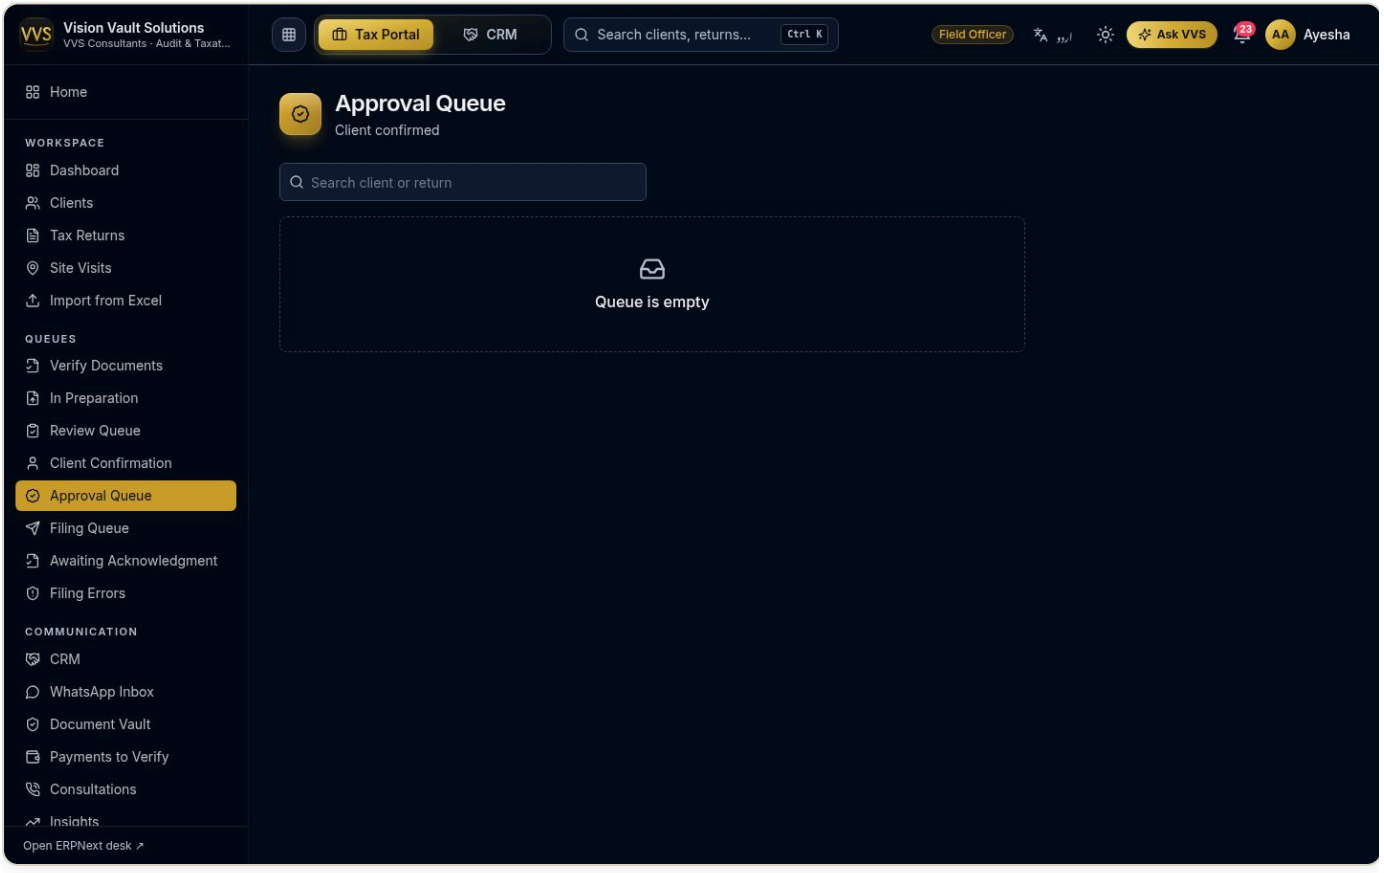

A return under review.

2 Client confirmation and approval

1. The client confirms in the portal; or staff **Record client approval** with the method and proof (four-eyes).
2. **Approval Queue** → **Approve**. The preparer can never approve.

Returns waiting for the client.

Approval queue.

Screens in this guide are from the VVS tax portal with demo data (November 2026). Tax figures shown are estimates from demo slab rates.
