VISION VAULT SOLUTIONS · GUIDE

# Document vault and letters

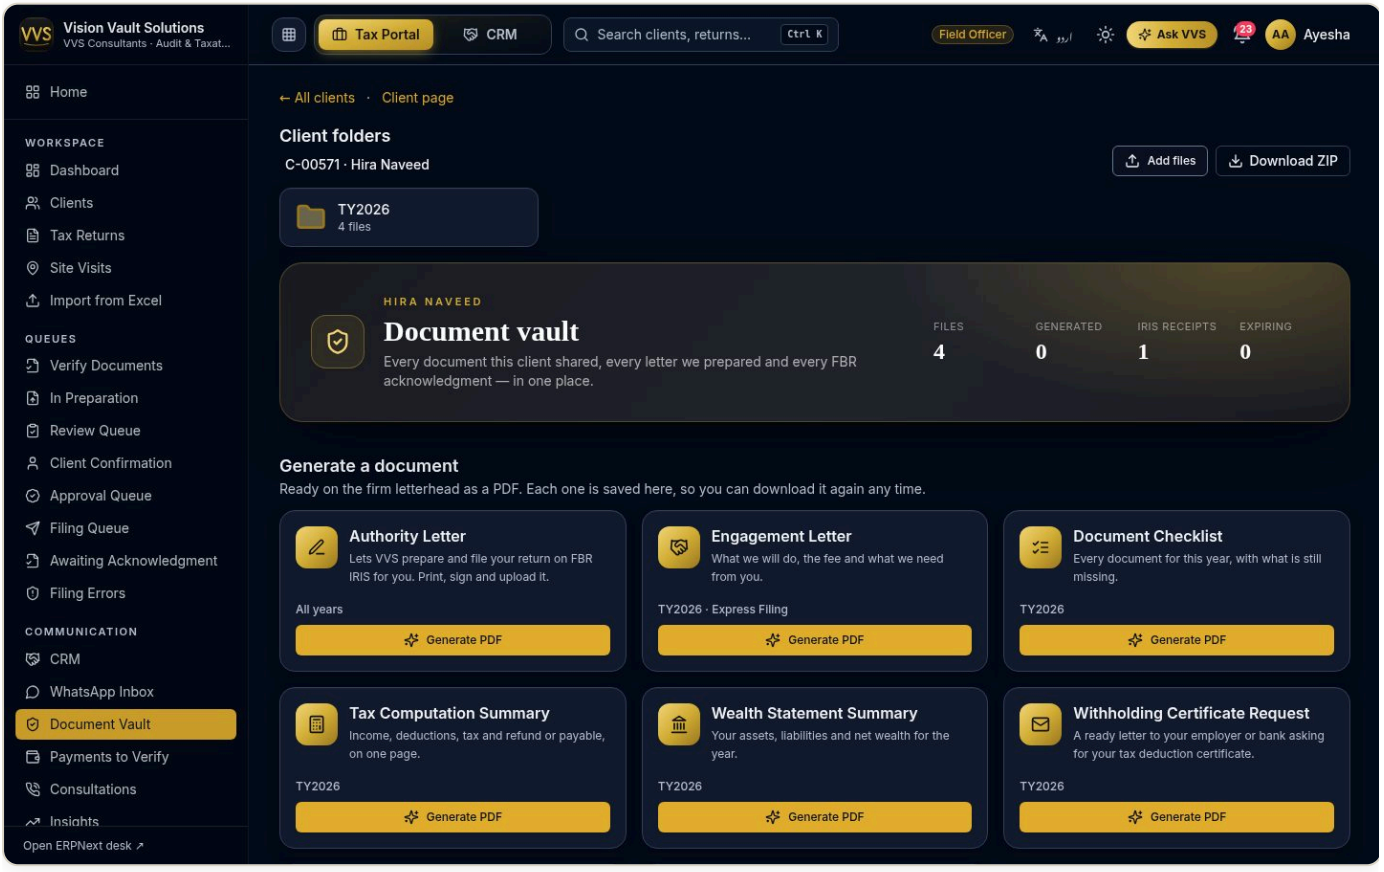

Everything a client has with the firm in one place, and letters on the firm's letterhead, generated as PDFs.

| 1 · Folders | 2 · Letters | 3 · Versions | 4 · IRIS | 5 · Invoices |
|---|---|---|---|---|
| By year, type | Letterhead PDF | Kept | Receipts | Paid / due |

Who: **Team** · the **client** (their own vault)

## 1 Generate a letter

1. Authority letter, engagement letter, document checklist, tax computation, wealth statement, withholding certificate request.
2. Each one is saved with a version number; download it again any time.

The vault: generate documents.

Screens in this guide are from the VVS tax portal with demo data (November 2026). Tax figures shown are estimates from demo slab rates.
